**TERMINATION OF A RECREATIONAL PIER LEASE AND ISSUANCE OF A
GENERAL LEASE – RECREATIONAL USE**

LESSEES:

Frank Berlogar III and Barbara Berlogar

APPLICANTS:

Joseph P. Colmery and Laurie W. Colmery

AREA, LAND TYPE, AND LOCATION:

Sovereign land in Lake Tahoe, adjacent to 632 Olympic Drive, Tahoe City, Placer County.

AUTHORIZED USE:

Continued use and maintenance of two existing mooring buoys.

LEASE TERM:

10 years, beginning December 2, 2013.

CONSIDERATION:

\$754 per year, with the State reserving the right to fix a different rent periodically during the lease term, as provided in the lease.

SPECIFIC LEASE PROVISIONS:

Insurance:

Liability insurance in an amount no less than \$1,000,000 per occurrence.

Other:

1. The proposed lease contains a provision which requires the Applicants to obtain authorization from the Tahoe Regional Planning Agency (TRPA) for the mooring buoys within two years after the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately 1995 to October

2008 when TRPA adopted a FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the US District Court invalidated the FEIS and nullified the ordinances. TRPA is presently evaluating its response. At such time as additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA EIS and ordinance issues.

2. Lessee expressly acknowledges and agrees that issuance of a Lease does not substitute for, or provide preference in, obtaining authorizations from TRPA or any other regulatory agency for the improvements authorized by the Commission.

OTHER PERTINENT INFORMATION:

1. Applicants own the upland adjoining the lease premises.
2. On August 8, 2005, the Commission authorized a 10-year Recreational Pier Lease with Frank Berlogar III and Barbara Berlogar. That lease will expire on August 7, 2015. On October 28, 2009, the upland parcel was deeded to Joseph P. Colmery and Laurie W. Colmery. Applicants are now applying for a General Lease – Recreational Use. Staff is recommending termination of the existing lease because the Lessees cannot be located for execution of a lease quitclaim deed.
3. **Lease Termination:** The staff recommends that the Commission find that the subject lease termination does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

4. **Issuance of Lease:** The staff recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

RECOMMENDED ACTION:

It is recommended that the Commission:

CEQA FINDING:

Lease Termination: Find that the subject lease termination is not subject to the requirements of CEQA pursuant to California code of Regulations, Title 14, section 15060 subdivision (c)(3), because the subject activity is not a project as defined by Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378.

Issuance of Lease: Find that the activity is exempt from the requirements of the CEQA pursuant to California Code of Regulations, Title 14, section 15061 as a categorically exempt project, Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).
