**GENERAL LEASE – RECREATIONAL USE**

**APPLICANT:**

Janet Lynn Crossley

**AREA, LAND TYPE, AND LOCATION:**

Sovereign land in Corte Madera Creek, adjacent to 19 Greenbrae Boardwalk, near the city of Larkspur, Marin County.

**AUTHORIZED USE:**

Continued use and maintenance of an existing uncovered T-shaped floating boat dock, pilings, and ramp.

**LEASE TERM:**

20 years, beginning December 18, 2015.

**CONSIDERATION:**

\$149 per year, with an annual Consumer Price Index adjustment.

**SPECIFIC LEASE PROVISIONS:**

Liability insurance in an amount no less than \$1,000,000 per occurrence.

**OTHER PERTINENT INFORMATION:**

1. Applicant owns the upland adjoining the lease premises.
2. On June 7, 2004, the Commission authorized a Recreational Pier Lease to Lura H. Crossley, Trustee of the Lura H. Crossley Revocable Inter vivos Trust dated April 24, 1997. That lease expired on August 31, 2014. On January 3, 2013, the property was transferred to Janet Lynn Crossley. The Applicant is now applying for a General Lease – Recreational Use.
3. The Greenbrae Boardwalk is located along the Corte Madera Creek, on the east side of Highway 101, in Marin County. The Greenbrae Boardwalk community is made up of 49 houses elevated on stilts over marshlands, which are only accessible by foot or bike along a raised wooden walkway.

As was commonplace in Larkspur in the early 1900's, the first ark (floating house) landed at what would become the Greenbrae Boardwalk in 1903. By the 1910's, three houses were built along the boardwalk and the community continued to grow through the 1920's and 1930's. On April 27, 1939, the Hugh Porter Subdivision was approved allowing residents of the existing ark community to acquire shoreline lots and develop legitimate dwellings. Over the years, the arks have transitioned from houses on barges to houses on foundations. Facilities such as decks, docks, and other appurtenant facilities have also been added and 42 of the 49 homes now have improvements extending beyond the Ordinary High Water Mark.

4. The Commission has had lease agreements with only 5 of the 42 marshland property owners with improvements extending onto State-owned sovereign lands, leaving many of the property owners with unauthorized facilities on State lands. To remedy the situation, the Commission's compliance staff conducted a public outreach effort to educate the community on the Commission's jurisdiction, leasing practices and lease application process. On August 28, 2014, Commission staff held a public meeting in Corte Madera for the Greenbrae Boardwalk property owners and other interested parties. Since that time, through the development of a frequently asked questions document, meetings, and many phone conversations and email communications, staff has worked with property owners to come to an agreement on lease terms and conditions acceptable to the parties involved.
5. The public's right to use California's waterways for navigation, fishing, and water-borne commerce is protected by the common law Public Trust Doctrine. Historically, the Public Trust ensures the right of the public to use its waterways to engage in "commerce, navigation, and fisheries." More recently, the Doctrine has been broadened by various court decisions to include various forms of water recreation, visitor-serving facilities, and preservation of lands in their natural state in order to protect scenic and wildlife habitat values. The Public Trust, as a common law doctrine, is not static but is continuously evolving to protect the public's needs and values inherent in the use of California's waterways.
6. The proposed application seeks authorization for the continued use and maintenance of an existing uncovered T-shaped floating boat dock, pilings, and ramp. The existing facilities are water-dependent and used for the docking of boats in order to aid in the navigation of Corte Madera

Creek and other navigable waterways in the greater region. These particular facilities promote and accommodate recognized Public Trust needs and values consistent with Public Trust Doctrine.

7. The staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

8. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
